# BPPIMT SPIE STUDENT CHAPTER

The SPIE Student Chapter was established on 6th August, 2010, by the Electronics & Communication Engineering Department. Since its inception, the chapter has been actively involved in numerous activities. Some of the notable activities are organisation of conferences, seminars, industrial visits, quiz and model competitions. The student chapter is also engaged in Social Works like public awareness about recent technologies & setting up of solar panels in remote villages. More and more students are joining our chapter and we are looking forward to doing more successful projects in future.
